Charter School Board
Global Preparatory Academy, Inc.
Marion County, Indiana

We have reviewed the audit report of Global Preparatory Academy, Inc. which was opined upon by Donovan CPAs, Independent Public Accountants, for the period July 1, 2024 to June 30, 2025. Per the *Independent Auditor's Report*, the financial statements included in the report present fairly the financial condition of Global Preparatory Academy, Inc. as of June 30, 2025 and the results of its operations for the period then ended, on the basis of accounting described in the report.

We call your attention to the Emphasis of Matter paragraph included in the Independent Auditor's Report and further detailed in Note 4.

In our opinion, Donovan CPAs prepared the audit report in accordance with guidelines established by the Indiana State Board of Accounts.

In addition to the report presented herein, a supplemental report of Global Preparatory Academy, Inc., was prepared in accordance with the guidelines established by the Indiana State Board of Accounts.

The report is filed with this letter in our office as a matter of public record.

Independent Auditor's Report

The Board of Directors
Global Preparatory Academy, Inc.
Indianapolis, Indiana

Opinion

We audited the financial statements of Global Preparatory Academy, Inc. (the School) which comprise the statements of financial position as of June 30, 2025 and 2024 and the related statements of activities and change in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the School as of June 30, 2025 and 2024 and the results of its operations, functional expenses, and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the School's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report including our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we also issued our report dated December 10, 2025 on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

Emphasis of Matter

As discussed in Note 4 to the financial statements, the School recorded in-kind contributions and offsetting expenses from Commissioners of the City of Indianapolis, also known as Indianapolis Public Schools (IPS), a related party, totaling \$2,923,073 and \$3,048,757 during the years ended June 30, 2025 and 2024, respectively. These in-kind transactions represent approximately 20% of total revenue and support and 21% of total expenses for the year ended June 30, 2025 (21% and 24%, respectively, in 2024). These amounts are calculated by IPS using significant estimates and judgments and are recorded by management of the School as presented. Our opinion is not modified with respect to this matter.

Global Preparatory Academy, Inc.
Notes to the Financial Statements
For the Years Ended June 30, 2025 and 2024

Note 1 – Nature of Activities

Global Preparatory Academy, Inc. (the School) is a public benefit not-for-profit organization incorporated under the laws of the State of Indiana. The School operates as a public charter school under Indiana Code 20-24. The School is sponsored by the Office of Education Innovation (OEI) of the Mayor of the City of Indianapolis. The charter is effective through June 30, 2030 and is renewable thereafter by mutual consent. The School served approximately 735 students in kindergarten through eighth grade during the 2024-2025 school year (approximately 670 students in kindergarten through seventh grade during the 2023-2024 school year).

The School operates under an Innovation Network Charter School Agreement with Commissioners of the City of Indianapolis, also known as Indianapolis Public Schools (IPS). The agreement extends through June 30, 2027. The agreement can be terminated by either party with 30 days written notice for material breach of the agreement, by IPS at the end of the school year for poor academic performance given written notice to the school 180 days prior, or by both parties by mutual consent effective as of a mutually agreeable date.

The School received in-kind services from IPS during the years ended June 30, 2025 and 2024. The values of these services were estimated and have been reflected as in-kind contributions and expenses (Note 3).

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, which requires management to make estimates and assumptions affecting certain reported amounts and disclosures. Actual results could differ from those estimates.

Financial Statement Presentation

The School reports its financial position and activities according to two classes of net assets:

- net assets without donor restrictions - which include unrestricted resources available for the operating objectives of the School; and
- net assets with donor restrictions - which represent resources restricted by donors for specific time or purpose.

As of June 30, 2025, the School had net assets with donor restrictions of \$327,000 from an implementation grant from the Lilly Endowment to improve student academic achievement and prospects for secondary success. As of June 30, 2024, the School only had net assets without donor restrictions.

Functional Expense Reporting

The costs of providing educational activities have been summarized on a functional basis in the statements of activities and change in net assets. Management of the School categorized expenses as program services or management and general according to the underlying nature of the expense. As such, no allocation of specific transactions between these categories was required.

Cash and Cash Equivalents

Cash consists of cash held in bank accounts and cash equivalents consists of short-term, highly liquid investments with original maturities of three months or less. There were no cash equivalents at June 30, 2025 and 2024.

Global Preparatory Academy, Inc.
Notes to the Financial Statements
For the Years Ended June 30, 2025 and 2024

Note 2 – Summary of Significant Accounting Policies (Continued)

Grants Receivable

Grants receivable relate primarily to activities funded under federal programs and legislation enacted by the State of Indiana. The School believes it is operating in compliance with regulatory requirements and as such no allowance for credit losses is deemed necessary.

Fixed Assets

Purchases of assets and expenditures which materially increase value or extend useful lives are capitalized and are included in the accounts at cost. Routine maintenance and repairs, minor replacement costs, and small equipment purchases are charged to expense as incurred.

Depreciation is provided using the straight-line method over estimated useful lives of twenty years for buildings and improvements, three to five years for furniture and equipment, and five years for vehicles.

Taxes on Income

The School received a determination from the U.S. Department of Treasury stating it qualifies under the provisions of Section 501(c)(3) of the Internal Revenue Code as a tax-exempt organization; however, the School would be subject to tax on income unrelated to its tax-exempt purpose. For the years ended June 30, 2025 and 2024, no accounting for federal and state income taxes was required to be included in the accompanying financial statements.

Professional accounting standards require the School to recognize a tax liability only if it is more likely than not the tax position would not be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax liability greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax liability is recorded. The School examined this issue and determined there are no material contingent tax liabilities or questionable tax positions. The tax years ended after June 30, 2021 are open to audit for both federal and state purposes.

Revenue Recognition Policy

As discussed in Note 1, the majority of the School's revenue and support is provided by IPS as part of the Innovation Network Charter School Agreement. Under the agreement with IPS, the School receives monthly funding from IPS in accordance with a student-based allocation formula. Funding includes both fixed and variable components. The variable funding depends upon certain attributes including the number of students, student grades, poverty status, and other factors. Revenue is recognized in the year in which the educational services are rendered.

A significant portion of the School's revenue is the product of cost reimbursement grants. Accordingly, the School recognizes revenue under these grants in the amounts of costs and expenses at the time they are incurred. Incurring approved costs under the grants is considered satisfaction of the performance obligations.

The School also receives contributions and grants from other agencies and individuals, which are recorded in accordance with the terms of the underlying agreements.

Global Preparatory Academy, Inc.
Notes to the Financial Statements
For the Years Ended June 30, 2025 and 2024

Note 2 – Summary of Significant Accounting Policies (Continued)

Disaggregation of Revenue

Revenue is disaggregated on the statements of activities and change in net assets.

Subsequent Events

The School evaluated subsequent events through December 10, 2025, the date these financial statements were available to be issued. Events occurring through that date have been evaluated to determine whether a change in the financial statements or related disclosures would be required.

Note 3 – Refundable Advances

The School was awarded grants to provide educational instruction which are deemed to be exchange transactions. Accordingly, revenue is recognized when earned and expenses are recognized as incurred. The School had refundable grant advances in excess of expenditures of \$686,521 as of June 30, 2024.

Note 4 – Valuation of In-Kind Services

The School recorded in-kind contributions and offsetting expenses from IPS, a related party, totaling \$2,923,073 and \$3,048,757 during the years ended June 30, 2025 and 2024, respectively. These in-kind transactions represent approximately 20% of total revenue and support and 21% of total expenses for the year ended June 30, 2025 (21% and 24%, respectively, in 2024). These amounts are calculated by IPS using significant estimates and judgments and are recorded by management of the School as presented. There are no restrictions on the in-kind contributions received by the School.

Note 5 – Note Payable

The note payable consisted of the following as of June 30:

	<u>2025</u>	<u>2024</u>
Note payable to State Board of Education, payable \$25,000 semi-annually (January 1 and July 1) plus interest at 1.00% per annum	\$ 125,000	\$ 175,000
Less: current portion	(50,000)	(50,000)
Long-term portion	<u>\$ 75,000</u>	<u>\$ 125,000</u>

The note payable to the State Board of Education is the result of the Common School Fund Loan program. This note is secured by the School's future tuition support payments on the School's basic grant.

Global Preparatory Academy, Inc.
Notes to the Financial Statements
For the Years Ended June 30, 2025 and 2024

Note 5 – Note Payable (Continued)

Principal maturities of the note payable are as follows for the years ending June 30:

2026	\$	50,000
2027		50,000
2028		25,000

Note 6 – Retirement Plans

The School maintains a defined contribution Section 403(b) retirement plan covering substantially all employees. The plan allows employees to make salary deferral contributions and provides the School will make contributions at its discretion. Alternatively, an employee may participate in the Indiana State Teachers' Retirement Fund (TRF), which is a cost-sharing multiple-employer defined benefit retirement plan sponsored by the State of Indiana and administered by the Indiana Public Retirement System Board. For both years ended June 30, 2025 and 2024, the School contributed 7.5% of defined compensation to each employee's retirement account.

Should the School elect to withdraw from TRF, it could be subject to a withdrawal fee. The School's contributions represent an insignificant percentage of the total contributions received by TRF. As of June 30, 2025, TRF was 86% funded.

Retirement plan expense was \$260,013 and \$156,651 for the years ended June 30, 2025 and 2024, respectively.

Note 7 – Commitments

As the School's sponsoring organization, OEI exercises certain oversight responsibilities. OEI assesses an authorizer oversight fee equal to 1% of the basic tuition support received by the School. Authorizer oversight fees of \$49,172 and \$32,324 were paid during the years ended June 30, 2025 and 2024, respectively.

The charter agreement requires the School to establish a cash escrow account of no less than \$30,000 should a dissolution occur. As of June 30, 2025, this escrow account has been established and fully funded. The escrow account is included in the balance of cash on the statements of financial position.

In April 2025, the School entered a contract with C.H. Garmong & Son, Inc. (the Builder) to provide the facility upgrade and expansion. The contract requires the Builder to retain architects, consultants, and contractors at the Builder's expense, as well as providing the School with monthly quality and progress reports. As of June 30, 2025, the remaining contract is estimated at \$16.3 million. The work is projected to be completed during the 2025-2026 school year.

Global Preparatory Academy, Inc.
Notes to the Financial Statements
For the Years Ended June 30, 2025 and 2024

Note 8 – Pending Legal Matters

The School is involved in a discrimination claim filed by a former employee. The claim was dismissed by regulators but continues to be reviewed by legal counsel with ongoing settlement discussions. Also, the School is involved in a student injury case. Both cases are unresolved and the potential outcome cannot be reasonably estimated, therefore no liability has been recorded in the accompanying financial statements.

Note 9 – Fraud Loss

In May 2025, the School was the victim of a wire fraud incident totaling \$45,860. The matter is under investigation by the bank and law enforcement, and no funds have been recovered as of the date of these financial statements.

Note 10 – Risks and Uncertainties

The School provides educational instruction services to families residing in Marion and surrounding counties in Indiana and is subject to the risks of economic and competitive forces at work within this geographic area.

The majority of revenues relate to legislation enacted by the State of Indiana and grants awarded under federal programs. Changes in state or federal legislation could significantly affect the School. Additionally, the School is subject to monitoring and audit by state and federal agencies. Those examinations may result in additional liability to be imposed on the School.

Financial instruments potentially subjecting the School to concentrations of credit risk consist principally of receivables from the State of Indiana. At June 30, 2025 and 2024, the entire receivable balance was due from the State of Indiana. In addition, deposits maintained at Old National Bank are insured up to the FDIC insurance limit, which is regularly exceeded. As of June 30, 2025, approximately \$8.1 million in cash was uninsured.

Note 11 – Liquidity

Financial assets held by the School include cash and grants receivable totaling \$8,806,714 and \$8,092,245 as of June 30, 2025 and 2024, respectively. Financial assets, with the exception of the \$30,000 escrow (Note 7), are available to meet cash needs for general expenditures within one year.

From time to time, the School receives donor-restricted contributions. Because donor restrictions require resources to be used in a particular manner or in a future period, the School must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the School's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The donor restricted net assets as of June 30, 2025 are restricted for purposes consistent with the general operations of the School and are therefore considered available for general expenditures.

Global Preparatory Academy, Inc.
Notes to the Financial Statements
For the Years Ended June 30, 2025 and 2024

Note 12 – Subsequent Event – Bond Issuance

In October 2025, the Indiana Finance Authority issued \$14,450,000 Educational Facilities Revenue Bonds, Series 2025A, and \$495,000 Taxable Educational Facilities Revenue Bonds, Series 2025B, on behalf of the School. The proceeds will be used to finance the acquisition, renovation, and equipping of the middle school expansion. Proceeds are held by a trustee and disbursed for eligible project costs. In October 2025, the School received \$635,744 as reimbursement for previously paid project costs. Because the issuance occurred after year-end, no related amounts are recorded in the accompanying financial statements.

Global Preparatory Academy, Inc.
Notes to the Schedule of Expenditures of Federal Awards
For the Year Ended June 30, 2025

Note 1 – Basis of Presentation

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of Global Preparatory Academy, Inc. (the School) under programs of the federal government for the year ended June 30, 2025. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the School, it is not intended to and does not represent the financial position, changes in net assets, functional expenses, or cash flows of the School.

Note 2 – Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note 3 – Indirect Cost Rate

The School elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

The Board of Directors
Global Preparatory Academy, Inc.
Indianapolis, Indiana

We audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Global Preparatory Academy, Inc. (the School), which comprise the statement of financial position as of June 30, 2025 and the related statements of activities and change in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and issued our report thereon dated December 10, 2025.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control which is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control which might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control we consider to be material weaknesses. However, material weaknesses may exist which have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance in Accordance with the Uniform Guidance

The Board of Directors
Global Preparatory Academy, Inc.
Indianapolis, Indiana

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We audited Global Preparatory Academy, Inc.'s (the School) compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement which could have a direct and material effect on each of the School's major federal programs for the year ended June 30, 2025. The School's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the School complied, in all material respects, with the compliance requirements referred to above which could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to our audit. We believe the audit evidence we obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the School's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis.

A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance such that there is a reasonable possibility material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance which might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist which were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
